

REC Solar
3450 Broad St. # 105
San Luis Obispo, CA 93401

Dear Recruiting Team:

I am writing to apply for the Vice President, Project Finance and M&A role. This opportunity appears to be a great fit with my proven professional experience and personal interests.

Most recently, I was part of the senior management team who launched a new investment company focused on acquiring renewable assets in the United States, Canada and Australia. Among other duties, in my role I was responsible for:

- All financing and acquisition transactions within North America;
- Management of staff and consultants within the region; and
- Negotiation of all major project documentation.

Prior to Innagreen, I was Vice President of Project Finance and M&A for RES Americas, covering Canada and the United States. In my role with RES, I executed over \$1.5B in debt financings, asset/equity sales and acquisitions representing generating capacity of over 1.5 GWs.

In addition to this position aligning strongly with my skill set, REC Solar's values of integrity, honesty and accountability, resonate with me personally. I look forward to continuing the conversation.

Sincerely,
